RE Change of Address for 97-7332

At the beginning of April, we received some returned mail showing the claimants had a new address. We then sent a Change of Address form to them to get the updated address. When we received the completed Change of Address form back, it had the address we currently have as the new address. I called Mr. Bartholomew on 5-14-2026 and spoke to him about it. He explained that he removed the forward from his mailing address with the post office a couple weeks ago and wishes to keep the mailing address the same. I thanked him and told him no changes would be made at this time.
