**RE: REQUEST FOR RETURN OF SIGNED WATER SUPPLY BANK LEASE CONTRACTS 2042
FOR WATER RIGHT 37-11773, 37-11774, 37-11776, 37-11777, 37-11778 & 37-11779**

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant,

The Department of Water Resources (Department) mailed **two original Water Supply Bank Lease Contracts for your review and signature** on August 27, 2025. The signed contracts have not been returned to the Department.

Please sign both original Lease Contracts and return them to the Department within ten (10) days of this letter to complete processing. The Lease Contract is not considered final until both you and the Department have signed.

If the signed lease contracts are not received by the Department within the 10-day period, the lease application will be returned, and the application fee will not be refunded. You can reapply to lease the water right in the future by submitting new application form along with applicable fees.

A water right is not protected from forfeiture unless it is accepted into the Bank, used to its full beneficial use, or an exception or defense to forfeiture applies as described under Idaho Code § 42-223. The five-year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the Bank. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. This and other water right forms are available from the Department's web site at www.idwr.idaho.gov.

If you have questions regarding this matter, please contact this office at 208-287-4800.

Sincerely,

Izzy Crichton
