RE: Release of Security Interest for Water Right No(s): 37-23079, 37-23080, 37-23081 & 37-23082 (Glenn Patrick & Constance A Funkhouser)

Dear USDA Farm Service Agency:

The Department of Water Resources (Department) acknowledges receipt of your correspondence requesting to be removed as a security interest holder on the above referenced water right(s). The Department has modified its records, and has enclosed a computer-generated report for you.

As you are aware, in 2017 the department received and processed a Notice of Change in Water Right Ownership from the Funkhousers, for property they purchased from James V Stewart LLC. This change resulted in splitting the water rights involved; as referenced below:

James V Stewart LLC

37-720
37-1176
37-4162
37-13318

Glenn & Constance Funkhouser

37-23079
37-23080
37-23081
37-23082

The department also recently received Notice(s) of Change in Water Right Ownership, and Notice(s) of Security Interest for the Funkhouser's water rights; indicating they have since sold the property. We are in the process of reviewing this information and upon completion, we will send out confirmation of the most recent changes.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Denise Maline
