Subject: BRBA Claim 11-7412 Renumber

Good morning Fredric,

The Preston Field Office received a claim based on the same water right filed by the BLM in the Bear River Basin Adjudication, 11-7412. Because the claims are now competing, IDWR has renumbered the BLM's claim to 11-7412A. The claims are included in IDWR's Basin 11 Part II boundary and will be evaluated after the Basin 11 Part I Director's Report submission later this year.

Feel free to reach out if you have any questions,

Christopher Holmes
