Bauchman asked if the putting the money into fixing would be worth it as it could be very costly to fix it. Ted Strikler suggested the possibility for making the flat fee for all highline users instead of the percentage of cost if need be. Ted Strikler moved to assign Steve Bauchman and Rick Philps to look into fixing the highline. They will hold a special meeting to discuss the particulars. Secounded by Ryan Hughes. The second concern with the highline is the sediment that has been washing down the canal from the 2013 Lodge Pole Fire. This problem has only started and will continue. Their will continue to be cleaning fees for highline users.

The next annual meeting will be held the 25th of January, 2016 at 7 pm at the Custer County Courthouse.
