RE: Change in Ownership Water Right No. 1-10625 (new application 35-7653)

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of an ownership change on May 22, 2026, for the above-mentioned water right(s). As we discussed, this water right is in the name of the Peoples Canal & Irrigation Co, you may shares within the canal company but the ownership of the water right would not be updated. Please contact the canal company to see if you shares. We also found your property would be entitled to a portion of water right 35-7653, I have enclosed an Ownership Change Form with that water right for your convenience, please complete the application and return it to the department along with the required documents for evidence of ownership and the additional filing fee.

The department is not refunding the filing fee paid with your original ownership change therefore the additional fee for the ownership change for 35-7653, will be \$75.00. The fee for an ownership change split is \$100.00 per water right. You already paid \$25.00 under receipt number S041069, that receipt has been applied to the ownership change for 35-7653.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
