RE: Change in Ownership Water Right No. 34-503C

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of an ownership change on April 17, 2026, for the above-mentioned water right(s). In order for the department to update the ownership, additional information and/or fees are required. Specifically, a full copy recorded Warranty Deed. On April 17, 2026, the department sent a letter (copy attached) requesting these items. The information was to be submitted within 30 days.

As of today, the department has not received a response to the request. The department has initiated a refund, and it should arrive from the state office in a couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.
