Hi Dawn,

Thank you for doing the extra work to fix my mistake, and for issuing a refund. Yes, please process instrument number 1052389.

Thanks again,
Jason

Good afternoon Mr. & Mrs. Barton,

Idaho Department of Water Resources has received your Change in Water Right Ownership. Unfortunately, the Deed you included was the wrong one. It was for Murphy going to the Bedford's. We need the Deed showing the property going from the Bedford's to you. I called and left you a voicemail on 4-28-2026 letting you know I had found the correct Deed on the Bonner County Recorder's website, but I need your approval to use it. If you want to look it up first to verify the one I found, the Instrument number is 1052389. I will need your approval to use this Deed to process your Change of Ownership. If I do not hear back from you by **June 10th, 2026**, your Ownership Change will be returned to you unprocessed.

Also, there is no fee for changes of ownership if the claims are in the adjudication, so a refund has been requested today, and you should receive it in the next 2 to 3 weeks.

If you have any questions, feel free to call me.

Sincerely,

Dawn R. Lenon
