RE: Change in Ownership Water Right No(s): 77-10106, 77-2144

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question with a Legal Description of Property(ies)

During our review of the Quitclaim Deed documentation you submitted we found this deed serves to convey any interest that may be held in property, but it does not contain any warranty of valid interest or title to the property. In other words, a quitclaim deed does not provide any assurance that the grantor has any legal interest to convey.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-287-4800.

Sincerely,

Petula Lee

Hi Jean,

Thank you for the assistance with this.

There is a letter of administration for Ronald Oberbillig in the file for WR 77-2144.

I don't know that there is a more recent letter of administration. Please let me know if this is not sufficient for some reason.

Subject: ownership change for Remington Idaho Inc

Mr. Foster,

I apologize for the confusion regarding the ownership change for Remington Idaho Inc. The quitclaim deed is sufficient evidence for the conveyance of the land appurtenant to water rights 77-2144 & 77-10106. However, the Department will need documentation that the Court has appointed Ronald M Oberbillig as personal representative of Harlow H Oberbillig's estate.

Re: Change in Ownership for Water Right No(s): 77-10106, 77-2144

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at 208-287-4978.

Sincerely,
