Re: Change in Ownership for Water Right No(s): 63-4005J

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 287-4942.

Sincerely,

Hi Tonya,

This is Ashley Hubble, Spencer's sister. 😊 I am wondering if you can help me with the email below. Don bought a piece of land up in Featherville and we applied to change the water rights ownership to him, but the Department of Water Resources is requesting a chain of title to show the ownership from Earl R Stone & Mary A Stone to current owner, E. Don Hubble. Don purchased the land from Tracey Lynn Yagues.

Would this be something you could provide?

I have attached the settlement statement and legal description.

Hope you are doing well!

Thank you!

Subject: RE: Change in Ownership Water Right No(s): 63-4005J

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The deed of reconveyance you provided did not include a description of the land. Water right 63-4005J is currently in the name of Earl R Stone and Mary A Stone. The Department will need a chain of title going back to the current owners of the water right.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments, and your notice will not be processed. You can provide the required information by responding to this email or mailing to: IDWR, PO Box 83720, Boise, ID, 83720-0098.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
