State of Idaho
Department of Water Resources

Water Right

36-7052

IRRIGATION

The map depicts the place of use for the water use listed above and point(s) of diversion of this right as currently derived from interpretations of the paper records and is used solely for illustrative purposes. Discrepancies between the computer representation and the permanent document file will be resolved in favor of the actual water right documents in the water right file.

2016 map change for 2026.

Irrigating the NE Arc of Section 17 pivot w/endgun.
