Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Evidence of Ownership:** On June 15, 2026, we received a Notice of Change in Water Right Ownership. In order for the department to update the ownership a full copy of the recorded Warranty Deed(s) is required. The department received a copy of the Deed of Trust; along with a security interest, however, we need a copy of the vesting deed, warranty deeds, quit claim deed et for the ownership change. Also note the deed must be from the previous owner of the water right, otherwise a full chain of title will be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
