MEMORANDUM

Date: December 3, 2024
To: Transfer 89194 File
From: William Mills
Re: Evaluation of Sufficiency of Information Submitted

Application proposes transferring three ground water irrigation rights and portions of two ground water irrigation rights (combined: 20.98 cfs & 1085.5 acres) from a farm located approximately 3.6 to 7.0 miles west and 1.6 to 5.8 miles north of Minidoka. The transferred rights will be moved to an existing farm located approximately 16.4 to 17.4 miles west and 0.7 to 3.0 miles north of Minidoka. The water rights will be placed in a 1,383.5 acre permissible place of use, limited to the irrigation of 1085.5 acres, to replace water rights proposed to be transferred in a companion transfer (#89195). The rights will be diverted from three existing wells on the farm located approximately 16.4 to 17.4 miles west and 0.7 to 3.0 miles north of Minidoka.

All wells and both farms are located in Water District 130. Watermaster comments were solicited, and the Watermaster did not oppose approval of the application.

Both transfer locations and wells are within the Eastern Snake Plain Aquifer (ESPA) area. The proposed transfer was modeled by both, a consultant and Department staff with results indicating no mitigation will be required.

- **Authority to File:**
IDWR records indicate the applicant currently owns the water rights and properties associated with this application.
- **Water Right Validity:**
All water rights in this transfer were decreed in the SRBA on or before 12/5/20011. Recent aerial imagery indicates grounds associated with this application appear to be irrigated.
- **Injury to Other Water Rights:**

None anticipated.

- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No issues anticipated. Application was subject to public notice and protest.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:**
None Anticipated.
- **Effect on Agricultural Base of the Local Economy:**
None Anticipated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
