RE: Change in Ownership Water Right No. 31-7290, 31-12232, 31-11409, 31-4024

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Notice to Property Owners:** On May 6, 2026, the department spoke with Robert Ball regarding the ownership change listed above. There was a parcel sold after the 2023 purchase from Joe and Nicole Slagowski to Circle B Farms LP, to Lane and Josie Moss. Idaho Code requires before the department updates the ownership of a water right on someone else's property, notice to the property owner is required. Idaho Code attached. The department did notify of the requirement via email (robertballsheep@yahoo.com) on 5/6/2026 and a reminder was sent 5/28/2026.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
