SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-4089

Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 11-4089. After reviewing your claim, these items need to be addressed:

1. Date of Priority: You claimed a priority date of 05/01/1921. To confirm this priority date, please provide evidence of historical use of the rate of diversion, irrigated acres, source, point of diversion, and place of use. The statutory claim filed in 1980 by Edward Duren also did not provide priority evidence.

Included is "Evidence of Priority" brochure which gives examples of documents that may be evidence.

2. Place of Use: A map of where active irrigation is occurring is needed. And where stockwatering is happening.
3. Point of Diversion: A map of where the water is diverted from its natural course is needed.
4. Diversion works description: Please explain how the irrigation occurs throughout the claimed acres.

If you would like to contact me, my telephone number is (208) 701-7204 and my email is jose.pacheco@idwr.idaho.gov. If I do not receive a response, your claim will be recommended disallowed.

Sincerely,
Jose Pacheco
