¹ The Swan Falls Settlement between the State of Idaho and the Idaho Power Company resolved a major dispute over the use of Snake River water. More information on the settlement can be found on the Department's website at <https://idwr.idaho.gov/settlements/swan-falls-settlement/>.

² For purposes of water right administration, the flow in the Snake River at the Murphy Gage is determined based on the three-day adjusted average daily flow (AADF) at the Murphy Gage.
