

titled *Stipulated Motion Regarding Process and Request for Special Master's Report and Recommendation*. This *Stipulated Motion* explains that the parties are involved in related litigation in Consolidated Subcase 91-07755 which is before Presiding Judge Eric Wildman. The parties to the consolidated subcase (except the United States) signed the *Coeur d'Alene Tribe Water Rights Settlement Agreement Between the United States, Coeur d'Alene Tribe, State of Idaho and Other Water Users* (Mar. 31, 2026) (hereafter *Settlement Agreement*.) The related consolidated subcase still has a lengthy process to complete before it can be finalized.

Specifically, the United States' approval and execution of the *Settlement Agreement* is contingent on ratification by the U.S. Congress. In addition, U.S. approval is contingent on the President signing a federal settlement act. As the parties await the approval of Congress and the President, they have agreed on a waiting process. Presiding Judge Eric Wildman issued an order recognizing this approach. Judge Wildman issued an *Order Adopting Stipulated Process for Effectuating a Settlement* (Dec. 31, 2025) which recognizes the approval procedures which must take place.

It is therefore understood by the Court and the parties that the *Special Master's Report and Recommendation* of these state-based rights are closely related to Consolidated Subcase 91-07755. As a result, it is understood that the adoption of the *Special Master's Report and Recommendation* will be subject to finalization of the *Settlement Agreement* by all parties including the United States. Consequently, it is expected that once this *SMR&R* is filed, it shall be sent to the Presiding Judge with a recommendation that all further action on these related state-based claims be held or stayed until finalization of the *Settlement Agreement*.

II. CONCLUSIONS OF LAW

Based on the file and record herein, IT IS RECOMMENDED that this water right be **decreed** with the elements set forth in the attached *Special Master's Recommendation for Partial Decree*. However, IT IS FURTHER RECOMMENDED THAT NO ACTION SHOULD BE TAKEN ON THIS SUBCASE until the finalization of the *Settlement Agreement* in Consolidated Subcase 91-07755.
