Dept of Water Resources,

I have sent the attached letter by certified mail to Mr. Harry N. Russell in response to his Letter of Protest.

We have received the letter from the DOWD 5/27/26 and as stated in our letter to Mr. Russell we are asking the DOWD to correct their map which has the location of the property lines incorrect.

Please let us know if this can be resolved in this way or if we need to proceed with the informal meeting. Bob and I both work full-time with part-time seasonal self-employment. We are currently in our busy season and taking a day off for a meeting will be difficult but we will if we must.

Thank you for your attention to this matter.

Sincerely,

Nikki Rogers
