Subject: Colwell Amended Licenses

Hey Shelly, Basin 63 and 65 hearings are going to be happening next Friday with special master Cushman.

Have you been able to get the licenses sorted out in Colwell (Dana Hofstetter was supposedly going to give you more information after the last time we all met)?

The subcase nos. are: 65-3617, 65-7461, 65-8627, 65-11211 and 65-11261.

If you could let me know what's happening by the beginning of next week, that would be great so that we can prepare on our end to speak with the special master.

Thanks,

Chris
