RE: Change in Water Right Ownership for Water Right No. 37-12864

Dear BRIAN K POSTER TRUSTEE & JANA L POSTER TRUSTEE:

The Idaho Department of Water Resources (Department) has recently been made aware that you are possibly the current owner of all, or part of the water right mentioned above, indicated by current Blaine County parcel information. Idaho Code, § 42-248, requires that new water right owners report any change in water right ownership or address to the Department.

I have enclosed a change of ownership form and instructions for this purpose. A notice of change in ownership of all or part of a water right must include evidence showing the basis for the change in ownership (deed, court decree, etc).

Please feel free to contact the State Office at 208-287-4800 to speak with a Water Rights agent if you have questions regarding water right 37-12864 or if you need assistance completing the change of ownership form.

Sincerely,

Debra Mansfield
Technical Records Specialist I
Water Administration Bureau
