Re: Change in Ownership for Water Right No(s): 11-377, 11-378, 11-379, 11-380

During our evaluation for your application for a Notice of Change in Water Right Ownership, it has been determined that, due to the complexity of this Ownership Change, you can file a Notice of Claim to claim your portion of the water rights, if you feel that in doing so would be beneficial to you.

We are returning your Notice of Change in Water Right Ownership form to you. We will also be refunding the \$400.00 application fee.

Failure to file a Notice of Claim may result in the forfeiture of any existing water rights associated with the forementioned claims.

If you have any questions concerning the enclosed information, please contact me at 208-701-7200.

Sincerely,

Marion Beck
