Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** On April 17, 2026 (Copy attached), the department sent a letter requesting additional information for your Notice of Change in Water Right Ownership received April 16, 2026. You contacted the department on May 14, 2026, with additional information and requested we hold your application in order for you to get additional information. Since May 14 we have not received any additional information. During our conversation we did take care of the issue with 29-73B and that has been corrected. It does still appear water rights 29-7239 and 29-2480 would require a split of the 3-acre parcel retained by Gary and LaRae Hatch. Also, you indicated you have the deeds for water rights 29-2471, 29-10137 and 29-12909, however we have not received copies of those deeds. Please supply copies of the vesting deeds for water rights 29-2471, 29-10137 and 29-12909 and if a split is required the additional \$150.00 filing fee. If a split is not required, please submit evidence of ownership for the entire place of use of the water rights.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly

RE: Change in Ownership Water Right No. 29-73B, 29-2471, 29-7239, 29-2480, 29-7457, 29-10137, 29-10138, 29-12909

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence of ownership to update 29-7457 and 29-10138.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** Evidence of Ownership/Additional Filing Fee: Please review the maps and proof reports attached. After reviewing parcel data along with the deeds provided with your application the department can not verify your ownership in any portion of 29-73B. According to the documents received water rights 29-7239 and 29-2480 would require a split it appears a portion of that water right is on the 3 acre parcel of property still owned by Gary and LaRae Hatch. After reviewing parcel data it appears you do own the property that water rights 29-2471, 29-10137 and 29-12909 are appurtenant to however the department did not receive copies of the deeds indicating your ownership. Please supply copies of the deeds for the property associated with those water rights. If a split is required for 29-7239 and 29-2480 the filing fee is \$100.00 per water right, therefore you would owe an additional \$150.00 for the ownership change. If you believe you are not entitled to any portion of 29-73B then the additional filing fee would be \$125.00

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
