Hello Everyone,

I would also like to apologize for missing the meeting. Please forgive me and let me know if you have any questions or concerns. I was busy taking care of some curtailment issues that I had and it caused me to not be able to attend. Again I do apologize.

Thank you,
Kristin Evans

Good Afternoon,

To start off I apologize to everyone I got my dates messed up for the meeting. I had it down in my calendar for next week.

I just wanted to reach out and see what the conclusion of the meeting was. If my absence was the end of this process or what.

Once again I do apologize.

Thanks,
