Hello Wendi,

Thanks for returning my phone call today. As we discussed, I am sending you a map depicting the point of diversion and place of use for your claim based on water right 11-376D.

If the map looks good, please confirm in a reply. If there are details that need to be changed, please produce and send back a map that shows the accurate information.

Over the phone, you confirmed that the change in the point of diversion had occurred prior to 2021. This remark serves to document that fact.

Regards,

Brian Wunsch
