RE: Change in Ownership Water Right No. 31-10045, 31-58, 31-60B

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Evidence of Ownership:** On March 19, 2026, you submitted a Notice of Change in Water Right Ownership. During our review the department found that there was a deed missing in the chain of the Title, as far as I am aware the department has contacted you on the phone to request the information as of today, we have not received the required evidence to ownership. Please supply a copy of the deed from Don M and Beverly F Burtenshaw to The Don and Beverly Burtenshaw Living Trust.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
