Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. information required is indicated below:

**** **Evidence of Ownership/Filing Fee:** On July 27, 2026, you submitted a Notice of Change in Water Right Ownership. During our review the department found that one of the water rights was already updated 31-2291A. We also found that water right 31-4015 was previously split and is no longer a valid water right the split water right numbers are 31-11417 and 31-11418, it appears your property is appurtenant to 31-11418, your application has been updated to reflect that water right. Also, we discovered 2 other water rights that were not listed on your application that are appurtenant to your property, water rights 31-12367 and 31-11373. For water rights 31-2399 and 31-7219 additional evidence of ownership is required. The current owner of the water rights is Ball Land LC please supply a copy of the deed or deeds from Ball Land LC either to Ball Farms Limited Partnership or to Circle B Farms Limited Partnership who you received the property from. With all the water rights requiring a change there are 8 total 31-2399, 31-7219, 31-7067, 31-7100B, 31-7603, 31-12367, 31-11418, 31-11373 and additional filing fee is required to update all of them. You originally paid \$175.00, the fee for 8 water rights is \$200.00, therefore an additional \$25.00 is required. I have attached a copy of the proof reports for your review.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:

www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
