10. Do you own the property listed above as place of use? No

If your answer is no, describe in remarks below the authority you have to claim this water right.

11. Other Water Rights Used:

11-244

12. Remarks:

Priority Date Explanation:

Installation of the original waterline into the municipal system. They located the closest spring and ran a line into the city to have water.

Source known locally as Freds Spring

Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11J.

After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to determine the amount of water diverted from power records and shall annually report the information to the Department.

This right does not grant any right-of-way or easement across the land of another.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

Place of use is within the service area of the City of Bloomington municipal water supply system as provided for under Idaho Law.

The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.

13. Basis of Claim: Decreed

14. Signature(s)
