SUBJECT: Bear River Basin Adjudication (BRBA) Claim No. 11-4213

Dear claimant,

The Idaho Department of Water Resources (IDWR) is reviewing your claim for recommendation in the BRBA. To proceed in the process the following item needs to be addressed:

1. **Date of Priority:** You claimed a priority date of June 1, 1964. To confirm this priority date, please provide evidence of historical use of irrigated acres, source, rate of diversion, point of diversion, and place of use.

Included with this letter is a copy of the claim, along with an "Evidence of Priority" pamphlet which gives examples of documents that may be evidence. If you are unable to locate any evidence going back to the date you claimed, please provide evidence of the earliest date possible. A personal affidavit may also be written that mentions historically known year that water use began, rate of diversion, irrigated acres, source, point of diversion, and place of use. This can be written by anyone with knowledge of prior water use.

If you would like to contact us, my telephone number is (208) 701-7203 and my email address is [jacob.morris@idwr.idaho.gov](mailto:jacob.morris@idwr.idaho.gov). Please be aware that your claim to these water rights may be recommended to the Court as disallowed until these issues are resolved.

Sincerely,

Jacob Morris
