Conditions of Approval

1. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.5 afa per acre at the field headgate for irrigation of the place of use.
2. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
3. This right does not grant any right-of-way or easement across the land of another.
4. When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.

RE: License No. 63-33955

ISSUANCE OF LICENSE

Dear Water Right Holder(s):

The Department of Water Resources ("Department") has issued the enclosed Water Right License confirming that a water right has been established in accordance with your permit. Please be sure to thoroughly review all the conditions of approval listed on your license. The conditions may include ongoing requirements, such as maintenance of a measuring device or implementation of mitigation, as well as information about how your water use may be administered, such as regulation by a watermaster in a water district.

The license is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01.730). It can and will become a final order without further action by the Department unless a party petitions for reconsideration, files exceptions, or requests a hearing as described in the enclosed information sheet.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Water right forms are available from any office of the Department or on the Department's website at ldwr.idaho.gov

If you have any questions concerning the enclosed information, please contact me at 208-287-4925.

Sincerely,

Phill Hammer

EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held.)

The accompanying document is a "**Preliminary Order**" issued by the Idaho Department of Water Resources ("Department") pursuant to Idaho Code § 67-5243. **This preliminary order can and will become a final order without further action of the Department, unless a party petitions for reconsideration, petitions for review, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

(See Idaho Code § 67-5243(3))

Any party may file a petition for reconsideration of this preliminary order with the Department within fourteen (14) days of the service date of this order as shown on the certificate of service. **Note: the petition must be received by the Department within this fourteen (14) day period.** The presiding officer will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law.

PETITION FOR REVIEW (EXCEPTIONS)

(See Idaho Code § 67-5245)

Within fourteen (14) days after: (a) the service date of this preliminary order, (b) the service date of a denial of a petition for reconsideration of this preliminary order, or (c) the failure within twenty-one (21) days of the presiding officer to act on a petition for reconsideration of this preliminary order, any party may petition the Director in writing to review any part of this preliminary order by filing exceptions, and any supporting brief, with the Department.¹ Any parties opposing the exceptions shall have fourteen (14) days from the service date of the exceptions to file a brief. If the Director determines that oral argument is to be heard, the Director will provide reasonable notice to the parties of the place, date, and hour for the argument.

The Director will issue a final order on exceptions within fifty-six (56) days of receipt of the written briefs or oral argument, whichever is later, unless extended for good cause. The Director may remand the matter for or hold an evidentiary hearing if further factual development of the record is necessary before issuing a final order.

REQUEST FOR HEARING

(See Idaho Code § 42-1701A(3))

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to Idaho Code § 42-1701A(3). A written petition to the Director contesting the preliminary order and requesting a hearing must be filed with the Department

¹ The Director may decide to review this preliminary order upon his own motion. Should the Director decide to do so, the Director will provide written notice to the parties within the period the parties are allowed to petition the director for review of the preliminary order.

by any aggrieved person **within fifteen (15) days after service of this preliminary order.**

CERTIFICATE OF SERVICE

(See IDAPA 37.01.01.053, 37.01.01.202)

All documents filed with the Department in connection with a petition for reconsideration, petition for review, or a request for hearing of this preliminary order shall be served on all other parties to the proceedings in accordance with Rules of Procedure 53 and 202.
