Dear Claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 11-300. After reviewing your claim, this item needs to be addressed:

In your claim you gave a brief description of your diverting works, mentioning that “various ditches divert water out of Stauffer Creek to flood irrigate my property.” Please write a detailed description of all points of diversion. Information we will need includes:

1. When each point of diversion was developed.
2. A detailed description of how each point of diversion distributes the water to your place of use.
For example, do you use ditches, tarps, etc?

Please mail the completed description and included map back to IDWR at 325 East 600 South, Suite 300 Preston, ID 83263. You may also contact me to set up an appointment where we can address these questions in office. Feel free to contact me with questions, my telephone number is (208) 701-7202 and my email is brent.bonney@IDWR.idaho.gov If we do not receive a response by the response deadline your claim may be recommended as disallowed.
