**Conditions of Approval:**

1.      071      The domestic use authorized under this right shall not exceed 13,000 gallons per day per home.
2.      070      The irrigation occurring under this domestic use shall not exceed 1/2 acre within each platted subdivision lot upon which a home has been constructed. This right does not provide for irrigation of common areas or for irrigation of lots upon which homes have not been constructed.
3.      X04      Domestic use is for 4 homes.
4.      103      When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows

needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.
