Subject: Change in Water Right Ownership 96-9777
Attachments: CHANGE OF OWNERSHIP FORM.pdf

Good afternoon Mr. & Mrs. Johnson,

I am in the process of auditing files and noticed you were working with Sandra Thiel back in September 2023. She has since retired and I found that you had submitted a Change in Water Right Ownership going from Elise & Richard Fuhr to Jon & Kristin Johnson. In my audit of the file, I'm sorry to say, but the change of ownership was never processed. I did notice that the property is now in the Johnson Family Trust. I can still process the change of ownership, but to make it easier, your water rights should match the property. I have attached a new Change of Ownership form showing the property going into the name of the Trust. We do NOT need conveyance documents, as we already have them, and there is no fee for this change as it's still part of the Adjudication.

Please look the form over closely and sign and date it and return it to the Northern office at the address below. If there is anything that needs to be changed, cross it out, write in the corrected information, and initial the changes.

I apologize for the confusion, and if you have any questions, please feel free to give me a call.

Sincerely,
Dawn R. Lenon
