RE: Change of Ownership for Water Right: 63-32290

Dear Water Right Holder:

The Department was notified of an error on an ownership change you submitted on August 14, 2026. After further review of the deeds submitted with your request, it was determined that water right 63-32290 should have been split. The legal description of the land conveyed to you did not include the lands for the entire water right. The Department apologizes for this error.

You will retain the original Water Right # of 63-32290. The Department has modified its records and has enclosed a computer-generated report for you.

Please feel free to contact me at 208-287-4978 if you have any questions concerning the enclosed information or this letter.

Sincerely,

Petula Lee
Technical Records Specialist I
