RE: Change in Ownership Water Right No(s): 65-23266

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership (Notice) from you on February 19, 2026 for the above referenced water rights. The Notice could not be processed because additional filing fees were needed.

On July 31, 2026, the Department requested additional fees from you. As of the date of this letter, the Department has not received the additional fees.

The Department is returning your Notice of Change in Water Right Ownership and the attachments. A refund of \$25 has been requested and will be mailed to you under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at 208-287-4942.

Sincerely,

RE: Change in Ownership Water Right No(s): 65-23266

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$100 per water right for changes resulting from division of a water right. The Department received \$25 with your filing.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the addition filing fee for your notice will be **\$75**.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-287-4942.

Sincerely,

Jean Hersley
