Comments

Complete Proof was received on 07/31/2026. The stated extent of beneficial use is domestic use for 1 home and irrigation for <5 acres. Total diversion rate or volume for which Proof is submitted was left blank, but the fee paid covers the permitted max diversion rate. The permitted beneficial use is irrigation for 11 acres, stockwater for 40 mixed stock, and domestic use for 1 home. I reached out to the permit holder on 08/04/2026 to verify if they were done developing their beneficial use, and I have not received any response back. Proof is deemed acceptable. Gave file to water right agent for in-house license review. Water right agent will enter the proof made date in AdHoc at the time of licensing.
