To Whom It May Concern,

Please find the enclosed "Statement of Completion" regarding the water right for irrigation pumping water from the Priest River for irrigation of my property. As requested, I have included the check for \$50 along with photos of an aerial view of the property, the plat diagram, the Wayne pump, pipe, as well as the foot valve that includes a strainer. I hope that this provides evidence of compliance.

I'd also like to thank Spencer Humphrey in your office for his thorough guidance in this matter. Please do not hesitate to contact me should further information is needed. Thank you.

Best regards,

Anne Maxham
