deposes and says: I was born on the 5th Day of June 1868 and my father bought the Farm in Sanak quite a number of years before I was born. The springs were first to use for irrigation before I was born, and have <sup>been</sup> used for irrigation purposes ~~to the~~ <sup>the</sup> day and the watering of stock since I can remember.

The springs were in use on this place before my father bought this place.

my father moved on to this land on Sept. 5. 1903  
He developed the springs and built a dam  
in the year of 1900 for the purpose of storing  
water for irrigating a garden and hayland.
