(One water right per application)

Is this application being submitted with a rental application as a lease/rental package? Yes ☐ No ☒

If yes, include renter and rental fee payment information as attachment 5B.

This application must be prepared in accordance with the minimum requirement checklist below. Use this checklist to ensure all necessary documentation has been provided. This checklist is part of the lease application and must be included with the lease application. Applications that do not meet the minimum requirements will not be processed and may be returned or denied.

MINIMUM REQUIREMENT CHECKLIST

Check All Items as Either Attached (Yes) or Not Applicable (N/A)

Yes

Completed *Application to Sell or Lease a Water Right to the Water Supply Bank*, printed **single sided**, per requirement of the Water Supply Bank.

Application filing fee of \$250.00 per water right. If you are submitting more than one lease application and the water rights have an overlapping, common place of use, or a common diversion rate or volume, the total fee for all water rights is \$500.00. For places of use, multiple water rights must be used to irrigate the same lands in order to qualify for the joint filing fee. Individual filing fees are required for water rights that share a common permissible place of use but which cover separate acres within the permissible place of use.

4. GENERAL INFORMATION

- A. Identify the owner of the water delivery system or well Shoshone-Bannock Agri-Business Corporation
If your water right is delivered through a canal, lateral or ditch operated by a canal company, irrigation district, or similar delivery entity, your lease request must include written consent from the company, district, or similar entity for your removal of water from its system pursuant to Section 42-108, Idaho Code and IDAPA WSB Rule 37.02.03.25.02e. (Label Attachment 4A)
- B. Please provide a description of the current water diversion and delivery system, including source, pump, pipeline or diversion.
Well and Pump
- C. Describe any other water sources, including municipal, irrigation company shares, or water rights with combined limits to the water right offered to the bank, which are used for the same purpose at the same place of use as the water right being offered to the Bank.
- D. Are any of the water rights identified in Section 4C stacked with the water right proposed for lease? Yes ☐ No ☒
Stacked water rights are used together to achieve a common beneficial use, such as irrigation of the same lands, and usually have combined limits in the conditions of the water rights. Stacked water rights cannot be separated and must be jointly leased to the Water Supply Bank. Stacked water rights qualify for the multiple fee payment of \$500.
- E. Will the present place of use continue to receive water from any other source, including those listed in 4C? Yes ☒ No ☐
If yes, explain the relationship between the different water sources and how enlargement of the authorized use will not occur if this water right is leased. This land is within the Fort Hall Reservation and has been assigned a portion of Shoshone-Bannock Tribes Water Right 27-11376 (Permit No. WTRU-2025-08-BC).
- F. Has any portion of this water right undergone a period of five or more consecutive years of non-use? Yes ☐ No ☒
If yes, describe the circumstances and attach evidence to demonstrate how the water right has not been lost through forfeiture (Label Attachment 4G). See Section 42-223, Idaho Code for exceptions to forfeiture, including lease into the Bank. Your application may be denied if forfeiture concerns are not addressed.
- G. Identify annual volumes and/or rates of water diverted (used) in the last 5 years to accomplish the beneficial use authorized by this water right. 30.2 AF Volume / 0.130CFS Rate, diverted annually for agricultural use.
- H. Is this water right involved in any other IDWR process, such as an application for transfer or a mitigation plan? ☐ ☒

I hereby assert that the information contained in this application is true to the best of my knowledge, and that I have the authorities necessary to offer this water right for sale or lease to the Idaho Water Resource Board.

The Designated Lessor / Applicant acknowledges the following:

1. Payment to the Designated Lessor / Applicant is contingent upon the sale or rental of the water right from the Bank.
2. While a water right is in the Bank, the seller/lessor of the water right may not use the water right, even if the water right is not rented from the Bank.
3. A water right accepted into the Bank stays in the Bank until the Designated Lessor / Applicant receives written confirmation from the Board or Water Supply Bank that the water right has been released from the Bank.
4. While a water right is in the Bank, forfeiture is stayed.
5. Acceptance of a water right into the Bank does not, in itself, confirm the validity of the water right or any element of the water right.

2173, 2174, 2175, 2244**

Dear Applicant:

On December 05, 2025 the Idaho Department of Water Resources (Department) received your application(s) to lease the entirety Water Right No(s). 29-2489A, 29-2489B, 29-2489C to the Water Supply Bank (Bank), and a portion of Water Right No. 29-13940 to the Bank.

The Department of Water Resources (Department) mailed **two original Water Supply Bank Lease Contracts for your review and signature** on August 03, 2026. On September 17, 2026, the Department has mailed a separate letter requesting that the signed Lease Contracts be returned. The signed Lease Contracts have not been returned to the Department.

Without the signed Lease Contract(s) the Bank cannot execute the contract(s), and complete the lease process to accept the rights into the Bank. Please discard the drafted Lease Contract(s) since they are no longer valid. This letter is notice that **the attached application(s) to lease water to the Bank are returned.**

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form.

You can reapply to lease the water right(s) in the future by submitting new application form(s) along with applicable fees. Water right forms are available from the Department's web site at www.idwr.idaho.gov.

If you have questions regarding this matter, please contact me at 208-287-4900.
Sincerely,

Catalina Beck

*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant,

The Department of Water Resources (Department) mailed **two original Water Supply Bank Lease Contracts for your review and signature** on August 3, 2026. The signed contracts have not been returned to the Department.

Please sign both original Lease Contracts and return them to the Department within ten (10) days of this letter to complete processing. The Lease Contract is not considered final until both you and the Department have signed.

If the signed lease contracts are not received by the Department within the 10-day period, the lease application will be returned, and the application fee will not be refunded. You can reapply to lease the water right in the future by submitting new application form along with applicable fees.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. ******TIME SENSITIVE RESPONSE REQUIRED******

Dear Applicant:

The Department of Water Resources has completed its review of your application to lease the above-mentioned water right to the Water Supply Bank. **I have enclosed two original Water Supply Bank Lease Contracts for your review and signature. Please sign and return ALL Lease Contracts within 14 days.** Upon signature and return of the contracts, the Department will also sign the original contracts and return an executed copy to you. The Lease Contract is not considered final until you and the Department have both signed.

The right will automatically be released from the Bank on **December 31, 2030** unless the right is released earlier by the Board, or upon your request. To release the right from the Bank prior to the release date, submit a written request on the Request to Release a Water Right from the Bank form. To propose a new lease period, submit a new Application to Sell or Lease a Water Right to the Water Supply Bank form along with applicable fees to the Department. These forms are available from any IDWR office or from our public website at <http://www.idwr.idaho.gov>. Please note your right may not be available for immediate release if it has been rented.

Please review the conditions of acceptance listed on the Lease Contract, including #3 which says:
"While a right is in the bank, **the lessor may not use the right** without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

If you have questions regarding this matter, please contact this office at bank@idwr.idaho.gov or 208-287-4800.
