Subject: Notice of Protest from Hank Higley

On October 5, 2026, the department received a Notice of Protest filed by Hang Higley of Malta. When the original document was run through the copy machine for copying and scanning purposes, the written information on the original document was somehow wiped off of the page. It's possible that it was originally written in pencil, but it's not for certain. It was extremely faded after going through the automatic feeder on the copier.

The information was traced over in black ink, and a copy of the scanned image is attached to the original document in the filer for reference. To be clear, this protest is still valid, as it was completed, signed, paid for and received timely on October 5, 2026.
