RE: License No. **98-7930**

ISSUANCE OF LICENSE

Dear Water Right Holder(s):

The Department of Water Resources ("Department") has issued the enclosed Water Right License confirming that a water right has been established in accordance with your permit. Please be sure to thoroughly review all the conditions of approval listed on your license. The conditions may include ongoing requirements, such as maintenance of a measuring device or implementation of mitigation, as well as information about how your water use may be administered, such as regulation by a watermaster in a water district.

The license is a PRELIMINARY ORDER issued by the Department pursuant to Rule 730 of the Department's Rules of Procedure (IDAPA 37.01.01.730). It can and will become a final order without further action by the Department unless a party petitions for reconsideration, files exceptions, or requests a hearing as described in the enclosed information sheet.

Also, please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Water right forms are available from any office of the Department or on the Department's website at idwr.idaho.gov

If you have any questions concerning the enclosed information, please contact me at (208) 287-4925.

Sincerely,

Phill Hammer

Subject: Water Right # 98-7930

Phil Hummer
Water Rights Section Manager

Water License # 98-7930 is incorrect for the following reasons. Our original goal when we applied in September 2013 was to apply for 2 water rights which are 1500 feet apart and on different parcels of land. Both water rights are for domestic, irrigation and stock water use.

Both springs are completed and have stand pipes installed for cattle watering as well as an overflow tank for wildlife use. The house using Spring #1 is constructed. Spring #2 will be used for future homesite for our daughter and for irrigating our blueberry patch as well as watering cattle.

We will gladly pay another fee for the second water right and would also welcome you to do a field exam.

We appreciate your working with us to get this matter corrected. Please let us know if you need anything further from us or have more questions.

Thank you,

Delton and Tracie Isaac

The Idaho Department of Water Resources received your email. The Department will review it and follow up with you as appropriate. Any document attached to your email will be considered filed on the day it was sent if done so before midnight, Mountain Time unless that date is a Saturday, Sunday, or legal holiday, in which case it is deemed filed on the next available business day. A document required to be accompanied by a filing fee is not considered filed with the agency until the fee is received.
