Hello David,

I am reviewing the Bear River Basin Adjudication claims that you filed on behalf of Emerald Beach Inc. numbered 11-7016 & 11-7292. During the claims-taking process, we failed to produce a map for each of these claims. Attached, you will find copies of the two claims and two aerial images for markup. Please clearly indicate where the well is located and outline where the water is being used for each of the two individual water rights. You may send the marked maps back via mail or email.

Brian Wunsch
