IDWR Water Right Report 2-10475. *See Attachment.*

Dear Sir or Madam,

I write because, while reviewing your website, I found that Danskin Cattle LLC (aka Danskin Cattle, L.L.C.) is stated as the "Current Owner" of the above-noted water right.

In looking at the legal description of the place of use and point of diversion of the above-noted water right, along with the associated map, I can say that Danskin Cattle, L.L.C. no longer holds any real property interest or BLM grazing permit interest to such place of use or point of diversion. I can only assume that the now current owner(s) of such real property interest and/or BLM grazing permit interest have yet to file with your office the "Notice of Change in Water Right Ownership | Form 42-248/42-1409(6) | July 2021". I will defer to the applicable current owner(s) to file such "Notice" with your office, though neither Danskin Cattle, L.L.C. nor I make any representations thereto. I only write to notify your office of the situation, and I would kindly ask that you put a copy of this letter in your file associated with the above-noted water right so your office is aware of the situation as to Danskin Cattle, L.L.C..

Very truly yours,

Danskin Cattle, L.L.C.

Robert C. Baker, Manager
