Jensen or only Larraine J. Jensen.
- Filing Fee of \$75 for a water right split– We received a \$25 payment.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the remaining filing fee for your notice will be \$75.

Because the Department cannot process the Notice without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-287-4978.

Sincerely,

RE: Change in Ownership Water Right No(s): 65-3184M

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice) and the filing fee of \$25.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership

The Department will need a post-degree conveyance of the water rights from James P. Joyce E. Nisula to Leland M. & Larraine J. Jensen or only Larraine J. Jensen. In 2004, the Snake River Basin Adjudication (SRBA) Court issued what is called a decree for water rights 65-3184M. The decree is a judicial order that determines the elements of the water rights, such as the diversion rate and volume, the priority date, ownership, etc.

Of importance here is that the SRBA Court decree water rights 65-3184M in the name of James P. & Joyce E. Nisula. Because Mr. Nisula didn't own the land where the water right is used in 2004 when the decree was issued, the decree separated the water right ownership from the land ownership. In other words, Mr. Nisula or his heirs technically still own the water right because the SRBA Court decreed the water rights in his name and not your name. There is an Idaho Supreme Court case dealing with a similar issue if you are interested in reading it. The name of the case is: First Sec. Corp. v Belle Ranch, LLC, 165 Idaho 733 (2019).

If you cannot locate Mr. Nisula or his heirs, you could pursue what is called a quiet title action in District Court. Idaho Code § 42-248(8) states that water right ownership may be settled in a quiet title action pursuant to Idaho Code § 6-401. You could file a quiet title action yourself or consult an attorney for advice and assistance.

Because the Department cannot process the Notice the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at 208-287-4978.
