RE: Notice of Change in Water Right Ownership
Bear River Basin Adjudication (BRBA) claim 11-373, 375, 7739

Dear Sir or Madam:

The Idaho Department of Water Resources (IDWR) is currently reviewing BRBA claims in your area. Available records indicate that you might be the owner of the property described as the place of use for BRBA claim(s) 11-373, 375, 7739. According to our records, the property to which I am referring to was most recently owned by JOHN G ALLRED and can be described as follows:

Legal description:	T09S R42E S32 NWNW, NENW, SWNW, SENW, NWSW, NESW T09S R42E S31 SENE, NESE
Parcel No:	09S42E323001, 09S42E311801 in Caribou Co.

This property was filed in the BRBA for irrigation, stockwater and spring supplying a home. We recommend that if you now own the property in question and the use the water for the purpose claimed that you file a "Change in Ownership" form so we may send all further correspondence to you as the appropriate owner(s).

Enclosed is a Change in Ownership form. If you are the legal owner of the property described, please fill out the form completely, sign and date it, and return it to IDWR's Preston Field Office along with a copy of your Warranty Deed and legal description of the property you have purchased. If the enclosed change of ownership document is not submitted, then the water right claim affecting your property may be decreed by the court in the previous owner's name, which may cause some difficulty in the future when the property is conveyed to another party.

Note: A fillable PDF version of the Notice of Change in Water Right Ownership can be found on IDWR's website at: <http://www.idwr.idaho.gov/forms/adjudication.html>

If you are not the legal owner of the property mentioned, you may disregard this letter. If you have any questions regarding this letter, feel free to contact me at (208) 701-7200 or by email at Preston.Info@idwr.idaho.gov.

Sincerely,

Marion Beck
Technical Records Specialist 1
