Gentlemen;

This letter is in regards to the hiring of a watermaster for 650. I sent you the minutes of our annual meeting. I noted on them that we haven't hired a watermaster, but we were searching for one. Since that meeting James Seiwert has come forward and would be willing to do the job.

A meeting was called on March 12, 2019 at 3 p.m. for all interested to interview James and offer him the job. It was held at the Donnelly Fire House.

James agreed to take the 1. Ditch rider job for Roseberry Irrigation District, 2. Ditch rider job for Boulder Irrigation Company and 3. Watermaster job for 650.

Those present at the meeting were: Robert Oporango, Stephanie Nelson, Vicki Eld, David Carey, John & George Duncan, Gary Swain, Isaac Babcock.

Sincerely,
Linda B. Duncan
