RE: Water Right in Water District 57C

Mr. Ihli:

Enclosed are two copies of a list of all the rights within your water district. This listing is sorted by priority date. If you want the list sorted by another parameter, please feel free to request that. It can be sorted by point of diversion, name or whatever would be easier for your use. We have gone through and made corrections to some of the rights that were not entered correctly. If you find any errors or changes that need to be made, please let us know.

Sincerely,

KAY WALKER  
Sr. Water Resource Agent
