Dec 20 2012

RE: Water deliveries in District 41 for 2012

For the dry year water fairly adequate. When the Landing ditch was taken out, I had to reduce the amount to Richard Udy, but did not turn him clear off as in other years. Also George Udy was off on the west side of the highway for the whole summer.

On July 5th the U.S. Ditch was low (4and ½ inches) but I took some of the 10 inches that the west ditch had. I cut them to 7 inches.

On July 6 the U.S. ditch had 7. 5 inches, so I raised the west ditch back to 7.5 inches.

On July 8 the Ivan Charles pump was low. I cut the Brown Parker ditch to 6 inches and the Adjhead ditch to 6 inches.

On July 10th the Charles pump was still low I set the Brown Parker ditch to 4 inches which is as closed as I could get the gate.

On July 22 the Charles pump was low again, so I cracked the by pass on kings lane open. This over time lowered the brown ditch to 3.5 inches which is where it stayed for the rest of the summer.

All other ditches were able to have as much water as they wanted for theentire irrigation season. By Sept. 15 the brown parker ditch was full (6inches) again.

Other than making a note on my calender for the above adjustments, no other records were kept. I billed the ditches for adjudicated rights from June 1st until Sept 15th.

James Robinson
Watermaster
