Don-

Our mail machine is broken and won't be repaired until next week, so I am unable to send you the appointments. Instead, I have attached them to this e-mail as a PDF. If for some reason you need a hard copy, I can get them to you next week. Otherwise, feel free to print them for your records.

Don,

Can you get me the names of the individuals you want appointed? Should be no problem getting the appointments out once I have that (provided they have already submitted an oath). Thanks!
