Re: Minutes of the Goose Creek Water District 45-C

The meeting was called to order at 1 p.m. by Watermaster Michael Poulton on March 24, 2015 At the Oakley Canal Office. The following members were in attendance- Michael Poulton, Jared Bedke and Secretary Kelly Adams.

The first order of business was to appoint officers. The method of voting was by majority vote of the water users present [Section 4, statue 42-605]. Kelly Adams was reappointed Secretary for the water year 2015. The minutes of the 2014 annual meeting were read and approved as written.

The budget was approved as the same as previous years. There is no budget monies collected. Water Right Holders maintain their own workings and measuring devices. The Watermaster approves the maintenance and controls the measurement of water. The same goes for the need of a treasurer. It was voted that the same resolutions adopted in the previous years be adopted for water year 2015. Watermaster Michael Poulton is on the last year of his appointment and will need to be reappointed next year. The Water master presented the annual report and a copy accompanies this document.

Those present accepted the district's actions in the 2014 water year and deemed them appropriate for the 2015 water year. Again, this will be a very tight water year and with limited snow pack it will greatly affect the springs.

Please send any correspondence pertaining to Water District 45-C to Watermaster Michael Poulton @ P.O. Box 279 Oakley Idaho 83346 or to Secretary Kelly Adams @ P.O. Box A Burley Idaho 83318.
