The following people were in attendance- Kelly Adams, Jared Bedke, Richard Austin, Kent Aasu IDWR, Jana Reeder IDWR, Brandon Bedke, Chantry Whittle, Dave Mabey NRCS, Michael Poulton and Bud Bedke. The first order of business was to re-appoint the existing officers. Michael Poulton will remain Watermaster and Kelly Adams will remain Secretary. The minutes of the 2016 annual meeting were approved as written. The budget was approved as previous years. There is no budget. The same resolutions adopted in the previous years were adopted for the 2017 water year. The watermaster presented the annual report and after member approval and handed them to the IDWR members who were present.

Much of the meeting was discussion about the current flooding conditions and the damage that was occurred by the landowners. Dave Mabey from the NRCS presented various programs that are available to help with the expenses of repairs to ditches, hay stacks, fences, roads, sediment, irrigation lines and bridges. It was very helpful and appreciated. The members would like to thank the folks from the IDWR and Mr. Mabey NRCS for attending our meeting. They answered a lot of questions and were helpful and knowledgeable.

The meeting was adjourned by the Watermaster at 3p.m.
